

# Safety and cleaning procedures

---

# *Safety*

What's different at church  
now with COVID?

1. Visitor's log: Please sign in and out at the front doors of the church
2. In order to enter, verify that you're showing no symptoms (cough, fever, sore throat, etc.)
3. You must wear a mask while inside the church.
4. If there are more than 1 person, please maintain social distancing of at least 6 feet
5. Please wash hands regularly: there are multiple hand sanitizers throughout the church

# *Cleaning*

How can we keep our facilities COVID free?

1. Cleaning supplies for ministry use are in the office by the printer (gloves, wipes, paper towels, cleaner, hand sanitizer, & face shields)
2. Please wipe down all surfaces that have been used including the restroom (use gender neutral restrooms only), any rooms used, and equipment (the next slide has a video of how to clean the restroom)

Gender Neutral  
restroom cleaning  
procedure
